A reduced fee of 15% is granted for the second sibling and no fee is charged for the third or subsequent siblings.

The Endowment Fee must be returned to St Mary’s Anglican Girls’ School within 30 days of receipt of the offer. Payment of this fee reserves a definite place for your child in the nominated year. If the offer is not accepted, then it will lapse.

Please note: The Endowment Fee is separate from the Tuition Fees.

CONDITIONS OF ENROLMENT

1. Students are enrolled at St Mary’s Anglican Girls’ School on the following conditions:
   i. the regulations and procedures of the school are satisfactorily observed in all respects.
   ii. the student conforms to the disciplinary authority of the Principal and those to whom authority may be delegated.
   iii. the student continues to make satisfactory progress with her/his studies.
   iv. the school’s terms of payment of all tuition and other educational fees are satisfactorily observed.
   v. the school shall not be obliged to continue the enrolment, education or accommodation of any student who does not observe all of the foregoing conditions.

2. Tuition and boarding fees are payable in advance and must be paid by the first day of term.

3. A surcharge of 15% will be added to all accounts remaining unpaid as at the fifteenth day of term. The Board of Governors may refuse permission for re-entry to any student whose account remains unpaid for the preceding term. Any expenses, costs or disbursements incurred by St Mary’s Anglican Girls’ School in recovering any outstanding monies, including debt collection fees and solicitors’ costs, shall be paid by the parents or guardian.

4. Prior to any day girl leaving the school, a term’s notice in writing must be given by the parent or guardian to the Principal on or before the first day of the student’s last term at school. In default of such notice, a term’s fees will be charged and will be payable in any event by the parent or guardian.

5. Boarders are accepted on the basis of being in the boarding house for the whole calendar year unless alternative arrangements are approved by the Principal. The calculation of boarding fee is based on costs for a whole year and in the event of withdrawal of a student during the year, boarding fees will be payable for the remainder of the year.

6. Parents or guardians of boarders shall deposit sufficient funds to cover all personal requirements for the term such as pocket money, fares and incidental expenses.

7. It is expected that students reside with their parents or grandparents, or board at the school. Any other arrangements must be made in conjunction with the Principal.

8. Students must agree to abide by the Code of Conduct and uniform requirements. Students are required to be punctual and present on all school days.

9. All students must take part in normal school activities including physical education and camps. Exemption is allowed by the Principal only (on medical advice). Attendance at religious education, chapel services, assemblies and compulsory school events is required of all students.

10. The parent or guardian must make good any damage to school property or apparatus (other than fair wear and tear) caused by their child or ward. The school accepts no liability for personal property brought to the school.

11. The regulations and procedures of the school must be satisfactorily observed by students in all respects.

12. A student’s attendance at school may be suspended by the Principal or terminated at any time by the Board of Governors.

13. Information provided by the parent or guardian may be available to Commonwealth or State Agencies.

PLEASE NOTE:

Change of Address
It is the sole responsibility of the parent or guardian to inform the school of any change of address or contact number, which may occur from the date of this application. In the absence of such notification, and in the event of the school making reasonable attempts to contact the parent or guardian, a student’s place on either the waiting list or accepted list may be forfeited.

Change of Intention
The school wishes to keep an accurate profile of future entrants and would be grateful if the parent or guardian could notify the school of any change of intention. If there is a change of intention and a place at the school is no longer required or sought, the parent or guardian should advise the school as soon as possible,
