

## Boarding Scholarships Information 2022

St Mary's considers its large boarding community to be at the heart of the School.

We have a strong tradition of supporting boarders and their families by offering several Boarding Scholarships to girls commencing **Years 7 to 11 in 2022**, which are available to both existing St Mary's students and those entering St Mary's as boarders.

Applicants for the Boarding Scholarships must demonstrate how they will contribute to the life of the School.

All round excellence will be the benchmark for these scholarships and students applying for a Boarding Scholarship must be motivated to achieve in all areas of school life. They should possess a positive attitude and show achievements both inside and outside of the classroom.

The Boarding Scholarships offer remission of fees for the duration of a student's schooling as a boarder at the School, providing the criteria of the Scholarship continue to be met.

Scholarships will be reviewed on an annual basis and it will be expected that recipients of a Boarding Scholarship will give of their best at school and represent their boarding community with pride.

Boarding Scholarship recipients will meet yearly with the Head of Boarding to set goals for the future together so as to assist recipients in achieving their potential both inside and outside of the classroom.
