## A THANK YOU MESSAGE from our Chair

Thank you for supporting the St Mary's Foundation during our School's Centenary year.

I am delighted to report that together, we raised more than \$345,000 for our Scholarship, Building and Library Funds throughout 2021. The impact of this generosity will be felt for many years to come and will help us support the next generation of St Mary's women.

The Foundation was delighted to give a Centenary gift of \$300,000 to the School to develop an adventure challenge course, including a low ropes course and a mountain biking and walking trail, as well as a bush chapel, at St Mary's Metricup: The Lady Treatt Centre for Learning and Leadership. Further to this, it was announced at the end of last year that the Foundation had provided the funds to facilitate the purchase of 43 hectares of property adjoining the original Metricup property for \$1.7 million, to build on its initial purchase of land in 2005.

We are immensely proud of our Class of 2021, who honoured the wishes of our late Centenary Head Girl, Sally Hicks, by founding a wonderful new scholarship called the *Spirit of St Mary's* for their leaving gift to the School. The Foundation, inspired by the community's generosity, donated an additional \$26,800 to the scholarship and committed to supporting this scholarship into future years.

It was my absolute privilege to become the new Chair of the St Mary's Foundation in 2021. On behalf of the St Mary's Foundation Board of Management, I would like to thank you for your ongoing support of the School.

Every donation, no matter the size, has an impact and is vital to our future of providing an inspiring education for our girls.

## PRINCIPAL'S Perspective

Thank you sincerely for connecting with St Mary's during our Centenary year and for your ongoing, outstanding generosity. As we commence a new century of discovery, we continue to honour our past while also looking ahead to what the future holds for St Mary's Anglican Girls' School.

Through the immense generosity of our extended community, including Old Girls, past and present parents, and past and present staff, we have continued to grow our scholarship, building and library funds to help current and future generations of St Mary's students to flourish. With a renewed purpose, 'to engage hearts and ignite curious minds', we are turning our focus to improving facilities via our St Mary's Masterplan 2019-2030 and increasing opportunities for deserving young girls to attend this wonderful school.

As part of our centenary celebrations, we were delighted to name our new perimeter access road Atkins Drive in honour of Mr Peter Atkins, who was a member of the

Board of Governors from 1955 to 1983 and was Chairman from 1962 to 1971. Peter played a key role in raising the necessary funds to acquire the magnificent 16 hectares that the School is now located on. We were also pleased to develop a greenspace to provide better connection between the Junior and Senior Schools; we look forward to the ongoing development of this project.

I am pleased to report that the construction of our Creative Arts and Design Centre began recently, with an anticipated completion date in late 2023. This exciting project marks the most significant capital project since the School was relocated to Karrinyup in the 1960s. The building will house innovative and inspiring spaces for visual arts, wearable art, design technologies (textiles) and media studies. The ground floor will also include an expansive multipurpose space that can be used for social functions, examinations and large group meetings.

With construction now under way on our Creative Arts and Design Centre, we can begin planning our next exciting project, a new Science and Technology Centre.

We are grateful to the Foundation for their generous gifts to the School during our Centenary year. The addition of an adventure course to Metricup will bolster our students' independence, tenacity and resilience in challenging times, while the bush chapel will provide balance and a space for reflection during their visits to the property.

The Class of 2021 and their parents were inspirational in the way that they rallied to establish the Spirit of St Mary's Scholarship Fund, a concept conceived by our 2021 Head Girl, the late Sally Hicks. We hope that this scholarship will make a lasting impact for many years to come and help us to honour Sally's memory.

Last year provided a wonderful opportunity to celebrate all the magnificent things that St Mary's has accomplished in its first 100 years. Needless to say, none of them would have been possible without the drive, passion and support of the Foundation and the school community. And I know that will again be the case as we embark on our next century of discovery.

## THANK YOU FROM THE 2022 Annual Giving Scholar

Did you know that more than 2100 pledges have helped raise in excess of \$1.4 million for St Mary's Scholarship Fund since our Annual Giving Campaign was launched in 2014?

Our 2022 Annual Giving Scholarship recipient, Lacey Argent, joined us this year from the small regional town of Cunderdin. The Year 7 boarding student is loving her life in maroon thus far and cannot wait to explore all the opportunities that St Mary's has to offer over the next six years of her time at the School.

*I loved St Mary's from the first moment I saw the school. Being from the country, the open spaces and trees surrounding St Mary's made me feel right at home.*

*Receiving a St Mary's scholarship means that I have so many more options available to me that I would not have had if I had stayed in my home town of Cunderdin.*

*Since beginning at St Mary's, I have experienced so many new and wonderful things and made lots of new friends.*

*I have so many more opportunities that weren't available to me in my small town, such as dance classes, playing a range of different sports, having a choice of three different languages to learn, and playing in several bands.*

*To all the donors who have made this possible, thank you so much for believing in me. Without your support, I would not be able to attend St Mary's and have the opportunities that I now have available to me. I look forward to seeing what I can achieve in the next six years; I hope that I make you proud.*

## BALANGINY KADAJINY Scholarship

*Inspired by the 2020 Kaartdijin Scholarship, another benevolent member of our St Mary's community approached the School with a vision to fund another life-changing scholarship for a local Indigenous student.*

*The Balanginy Kadadjiny Scholarship – Balanginy meaning 'to pursue' and Kadadjiny meaning 'thinking, listening and learning' – was established with the intent to fund a deserving Indigenous student's entire secondary education.*

*Following a series of tests and interviews, Maddison Collard was awarded the Scholarship and started Year 7 at St Mary's in 2022.*

# Scholarship ignites Old Girl's passion

## 2021 Bonny Milne Scholar

Hannah Haddon (Coopes '16), our 2021 Bonny Milne Scholarship for Medicine recipient, recently relocated to Derby, about 2.5 hours from Broome, to continue her studies at the Rural Clinical School of Western Australia (RCSWA). We caught up with the third-year medical student to find out what she has been up to and how she is utilising her scholarship.

*When applying for the Bonny Milne Scholarship, there were a few uncertainties in the air. Would I be able to sustain living in the Kimberley? Would it be feasible to relocate, leaving behind my beloved work at St Mary's boarding house? When I was awarded the scholarship, it gave me complete certainty to apply for the prestigious RCSWA program, knowing that I had support behind me to relocate 2197km north.*

*The scholarship has assisted in providing basic daily living support, alleviated the pressure of not being able to work, and, subsequently, enabled me to contribute my time outside of university to the community. It has also allowed me to access some vital educational resources while up here, including an AMBOSS medical note subscription and the best illustrated anatomy palm cards. I can say with complete certainty that I would not have been able to relocate to Derby without this much-appreciated support.*

*Living in Derby and working at the community hospital has fuelled my passion for working rurally and has solidified my goal of entering the Fellowship in Advanced Rural General Practice pathway, a rural*

*GP speciality which will enable me to work both in a general practice and an emergency department setting. Life in Derby is exciting, rapidly evolving and community-centric. Some highlights have included helping to manage some high acuity situations, including a complex respiratory patient requiring intubation and Royal Flying Doctor Service transport to Perth, and a primary postpartum haemorrhage; our small-group teaching with our three amazing mentors; forming relationships with patients at the Aboriginal Health Service; and watching my husband play footy on the weekend for the local Derby Tigers.*

*I am the proudest of St Mary's Old Girls and feel so humbled and overjoyed to know that people connected to the School are so willing to provide this type of support. I cannot wait to give back in the same way to the School, which I love so dearly. Without this support, I would not have been able to participate in the RCSWA, which has ignited my passion for working rurally and contributing to resourcing remote communities in WA.*

The Bonny Milne Scholarship is for Old Girls studying medicine and who demonstrate an outstanding and ongoing contribution to the community. This scholarship has been made possible by a gift from an anonymous donor.

## Giving 2021

Thank you to our wonderful community of 290 donors who raised more than \$261,488 as part of our 2021 Annual Giving Appeal to support our Scholarship, Building and Library Funds.

Thanks to your generosity, three students were awarded scholarships and are now enjoying all the benefits of a St Mary's education.

With your support, our goal is to offer a new needs-based scholarship to a student every year that covers the cost of her education for the duration of her schooling and provides her with an exceptional foundation for a bright future.

# Spirit of St Mary's Scholarship

Just days prior to being hospitalised following a motor vehicle accident, Sally Hicks, our beloved Centenary Head Girl, spoke with Principal, Mrs Judith Tudball, and School Chaplain, Father Richard Pengelley, about the Class of 2021's leaving gift to the School.

Sally proposed a wonderful idea: the creation of an educational scholarship, on behalf of the 2021 Year 12 cohort, to help others.

Following the accident, the mothers of our 2021 Senior Day Girl and Senior Boarder pledged to honour Sally's vision and kindly asked their fellow Year 12 families to donate to a scholarship that would initially be known as the *Spirit of St Mary's* Scholarship.

It was their hope that the scholarship would grow over time and be the Class of 2021's legacy to the School.

Needless to say, the families of our 2021 Year 12 students rallied behind the cause and raised a staggering \$26,800 for the *Spirit of St Mary's* Scholarship. Once our benevolent St Mary's community learned about their generosity, staff, Old Girls and generous donors also contributed bringing the total sum raised to \$82,387.

On behalf of the entire St Mary's community, we wish to thank everyone who contributed to the *Spirit of St Mary's* Scholarship. We are also pleased to announce that this special scholarship will continue to grow – as was the wish of our 2021 cohort – and will be open for donations for many years to come.

## NEW TABLE PROVES A DRAWCARD FOR THE LIBRARY

Thanks to the generosity of our wonderful donor community, we were able to purchase a new dual-use games table for our Senior School library.

This unique table has the ability to transform into an activity and games station featuring a removeable table topper, built-in storage slots for cards and game pieces, and a generous playing area inside the table.

The multi-functional table was chosen as a focal point to use with our circular couches, enabling the area to remain flexible while encouraging play and collaboration among students.

It goes without saying that it has been a hit with the girls, who often gather around it during breaks to play, study and converse.

### Did you know?

You can now have your name etched into St Mary's history at the Lady Treatt Centre for Music and Dance. If you are interested in having a room named in your honour or in memory of a member of the School community, please email [giving@stmarys.wa.edu.au](mailto:giving@stmarys.wa.edu.au)

## THE KERENSA LEIGH ALLASON MUSIC PRACTICE ROOM

Thank you to Dr Mary Ellen MacDonald and Andrew Allason, who generously contributed to the recent extension of the Lady Treatt Centre for Music and Dance. In acknowledgement of their support, St Mary's has named a music practice room in memory of the late Kerensa Allason ('89), Mary's daughter and Andrew's sister.

Kerensa joined St Mary's in Year 11 and was immediately drawn to its music program. She was an oboist and was a member of the School orchestra, as well as a member of her church band.

Kerensa was so fond of her time at St Mary's that she decided to remember the School with a gift in her will, which has now been realised as the Kerensa Allason Prize for Contribution and Commitment to Swimming.

We are delighted that Kerensa's legacy now has a permanent place in our music and swimming programs – two of her greatest passions.

## BISHOP RILEY BEQUEST SOCIETY

Members of the Bishop Riley Bequest Society gathered for an intimate event at the private residence of the Archbishop of Perth, The Most Reverend Kay Goldsworthy AO.

Members had the pleasure of hearing from St Mary's Old Girl, Claudia Caporn ('14), who is an emerging portraiture and fine art documentary photographer. Claudia showcased some of her pieces and talked to her passion for capturing the human condition.

Claudia spoke about winning a Minderoo Artist Fund grant to pursue a project entitled *Western Australian Women of the Land*, a photographic inquiry into women working in agriculture. Claudia told members of the Bishop Riley Bequest Society that she hoped her project would challenge the almost exclusively male visual representations of farming and redefine the identity of the Australian farmer.

This special evening was a wonderful opportunity to recognise and thank those members of the St Mary's community who have chosen or intend to leave a gift to the School in their will.

If you have made a gift in your will, please contact Sarah Woods, Acting Director of Philanthropy on 9341 9120 or [swoods@stmarys.wa.ed.au](mailto:swoods@stmarys.wa.ed.au), so that we can thank you for your future contribution to the School. You are also most welcome to contact Sarah with any enquiries about making a bequest to St Mary's.
